

# Rewards

We learn so we can live the life we want to

Students who work hard are rewarded by achieving their potential - that is the greatest reward of all!

- All students will have their work assessed using the Yellow Sticker system, leading to Celebration Certificates, in each subject which lead onto Pastoral Leader Certificates and Headteacher Certificates.
- All students can gain individual reward points for 'Excellent Attitude' or 'Outstanding Work' in lessons. These lead to Bronze, Silver and Gold Certificates for Work and Attitude being awarded each term.
- Students producing work worthy of note may also receive letters or postcards home.
- Students gaining the highest number of reward points and Celebration Certificates will earn additional privileges. These have included previously trips and prize draws.
